

St. Paul

The **St. Paul Blond** (5.3% ABV) is a lovely fresh, easy-to drink blonde Belgian abbey beer with secondary fermentation on bottle. The Blond (33cl) of **Sterkens Brewery** has a wonderful blonde colour and a big white head on top. The St. Paul Blond has a soft and pleasant aroma of citrus, pear and apple. The taste is fruity, spicy and a bit hoppy and has a surprising dry aftertaste.
