

# ST. SEBASTIAAN

The **St. Sebastiaan Grand Cru** (7.6% ABV) is a golden, heavy fermented abbey beer in crock (50cl) or bottle (75cl) and has a *distinctive hoppy and clean aroma*. This Grand Cru of **Sterkens Brewery** tastes rather *soft hoppy and a bit bitter* and gives you a nice full-bodied *malty feeling* in the mouth in the aftertaste. The St. Sebastiaan Grand Cru comes with a *touch of yeast* at the bottom of the bottle.
